# Greetings

## *from the Enterprise Team*

2024 proved to be a bumper year for the Enterprise tent, with a marked increase in entry numbers across the board, but particularly in the Bread and Cakes section. This is, of course, all down to the continued enthusiasm from the inhabitants of Winterton and its surrounds, and I hope that you're all feeling in a similarly competitive mood this year. Last year's gentlemen's Scotch Egg class attracted some vigorous competition and will remain in this year's line-up, we have also added classes for mini pizzas and for traditional pork pies (made my first ever pork pie yesterday – more practice required) amongst other new classes as suggested by local residents.

We are aware that the town is gaining a lot of residents in the new houses which have been built and we would really encourage all our new residents to join in with demonstrating their talents. We will be continuing last year's decision to abolish fees for entering exhibits and for adult prize money, although we will be keeping prizes for children.

One of the disadvantages of getting this Schedule out as early in the year as possible is that some aspects of organisation for this year are not yet fully decided. Possible changes include asking the schools to distribute all the children's prizes, rather than do so in the Tent late on the Sunday afternoon. We think people may find this a little more convenient and it makes a little more of a ceremony around the awards.

Our electronic entry system worked very well on the whole last year – but not for everyone. It has been suggested that distributing the “one-click” address to the entries page on our website might help find it, so that is included in this schedule (<https://www.wintertonshow.co.uk/enterprise/individual/> for individuals, <https://www.wintertonshow.co.uk/enterprise/school/> for schools). I've also worked with our web site designers to make it clearer when your entries have been accepted, or whether there is another stage to complete. I hope that helps. If all else fails we do have a manual backup available on the day so don't worry – we will accept your entries. The electronic entry pages should be open shortly after this printed Schedule has been distributed and we will continue to accept paper based entries.

We will be providing updates (and encouragement) on the Winterton Residents Facebook page as the year progresses and we really do hope to meet large numbers of entrants over Show weekend.

Please address any questions or queries to us at [theenterprisesection@gmail.com](mailto:theenterprisesection@gmail.com)

# Poems

## Reception

Here is the Rain  
There is the Sun  
Look a Rainbow

## Year 1 and 2 - The Rainbow - By Christina Rossetti

Boats sail on the rivers,  
And ships sail on the seas;  
But clouds that sail across the sky  
Are prettier than these.

There are bridges on the rivers,  
As pretty as you please;  
But the bow that bridges heaven,  
And overtops the trees,  
And builds a road from earth to sky,  
Is prettier far than these.

## Year 3 and 4 - SPLISH SPLASH SPLOSH! - By James Carter

Babies in the bath do it  
puddles on the path do it  
grannies for a laugh do it  
SPLISH! SPLASH! SPLOSH!

Dirty welly boots do it  
dainty little shoes do it  
drippy doggies too do it  
SPLISH! SPLASH! SPLOSH!

Waterfalls and waves do it  
giant killer whales do it  
little fishes' tales do it  
SPLISH! SPLASH! SPLOSH!

Swimmers in the pool do it  
penguins in the zoo do it  
dolphins in the blue do it  
SPLISH! SPLASH! SPLOSH!

In the summer sun do it  
do it as it's fun do it  
come on everyone do it  
SPLISH! SPLASH! SPLOSH!

*Year 5 and 6 - Who Likes the Rain? - By Clara Doty Bates*

“I,” said the duck. “I call it fun,  
For I have my pretty red rubbers on;  
They make a little three-toed track  
In the soft, cool mud—quack! quack!”

“I,” cried the dandelion, “I,  
My roots are thirsty, my buds are dry,”  
And she lifted a tousled yellow head  
Out of her green and grassy bed.

Sang the brook: “I welcome every drop,  
Come down, dear raindrops; never stop  
Until a broad river you make of me,  
And then I will carry you to the sea.”

“I,” shouted Ted, “for I can run,  
With my high-top boots and raincoat on,  
Through every puddle and runlet and pool  
I find on the road to school.”
